

A SPECIAL WELCOME

Do you know that God loves us all? The Bible tells us that even before we were born, God has loved us with a love that never ends. It is because of God's love that as a church we are motivated to serve and to help in every way possible so that all can come to experience God's love.

First of all, I would like to make a personal invitation to you to join one of our Sunday Services.

Secondly, if you are going through a difficult life situation, and you need someone to talk to, we can provide a listening ear and try to help you through the situation. Please contact us on 09 431 4122 if you wish to talk to someone.

It is my hope that we can help you draw closer to God and deepen your faith, so that you know God's encouragement and blessing in your life.

Shalom,
Wayne Thornton
