Reflection

There are times when we too are challenged with the most unexpected kinds of stormy trials in our lives. Heedless of how intense the storms are, we have the assurance that the Lord who is with us can deliver us from all of it, and there is no need for fear. Many people when faced with hardships question the very existence of God. At those times of severe testing, often our emotions take control of us, and we must be cautious for our emotions are constantly changing. In those hard moments instead of depending on our emotions, we must learn to trust in the word of God, which is consistent and unchanging. It is not enough for us to hear the word of God, we must be ready to confront the tests that God sends our way, for only then we can be certain that we are growing in our faith and trust in the Lord.
