

WELCOME TO OUR CHURCH

This morning we warmly welcome the Rev. Harvey Smith, Interim Priest-in-Charge, and his wife Christine, to St Paul's

We hope you find God's presence in the service today. Please join us for refreshments after the service and share our hospitality and fellowship.

Please remember to scan in or add your details on the attendance sheet.

Happy Birthday!

We extend our best birthday wishes to **Peter Linnell**, who celebrated his birthday on **Saturday 3rd July**, and also to **Isa Christensen** who will be celebrating on **Saturday 10th July**.

Christian Books for the Mission District Library!

New shelving has been installed at Christ the King Church for a Mission District Library (with many thanks to Martin Arrowsmith). We hope to fill these shelves with Christian books over the next few months. The books will be loaned out at no charge. We would be very grateful for donations of suitable books, in good order, preferably reasonably modern and by well-known authors. Donated books can be left in the church office or given to Martin or Fay.

Cleaning Archie Bull Hall: Following a complaint about dog hair on the cushions in the hall, we have installed a vacuum cleaner in the hall cupboard (thank you to Martin and Beth Arrowsmith for donating the vacuum cleaner). This will make it easier for groups to clean the floors at the end of their meetings.

Note: A reminder to those on morning tea duty, to also clean the hall the day before. Thank you for taking on this extra task.

Mid-week Communion: There will be no Wednesday Communion service or Bible study at Christ the King this coming week. Further details to be announced.

Help! Furniture needed for the vicarage:

Thank you to those people who have loaned furniture to Rev. Harvey and Christine for their stay in the vicarage. Please ring Harvey, 021 0264 4699, or Lindsay 022 032 6360 to find out which items they still require.

Spam Emails: The Anglican Diocesan Office has received concerning reports of a scam currently targeting church organisations. If any member of the clergy emails you directly asking for money to support a person in need, THIS IS A SCAM. The clergy of the Anglican Church do not ask for funds directly in this way. The subject of a recent scam email has been 'Peace Unto You.' If you receive an email like this, please ignore the email and delete it. It is recommended that you report any suspect emails to the police and/or Netsafe.

Harvey's Word

Last Sunday I led the worship of all three Mission Districts. This is a first for me. It is challenging to think that in our three Mission Districts we traverse every community between the Tasman and Pacific Oceans within the lower far north region.

We began in Christ the King with 38 parishioners present then on to All Saints where there were nine people before moving on in the late afternoon to Holy Trinity where nineteen parishioners attended the Eucharist. In each and every case there was a fine period of hospitality and fellowship following the service. Starting this Sunday, I expect to be in the area from Sunday through to Wednesday although that will vary from time to time. In this time my initial priorities are these.

To make sure there is worship in all our churches as rostered. I am intending to follow the roster as inherited. This can be changed but only by the agreement of all Governing Bodies and myself.

My second responsibility will be to meet regularly (weekly or fortnightly) with the leadership teams of each Mission District. The details of how this will happen will be worked out on the first occasion I meet with each Mission District. This will help me to understand how best I can support each Mission District in the time that I have available.

My third responsibility will be to provide crisis pastoral care in all three Mission Districts. In this I will be guided by each Leadership Team.

I have a hope that we might develop a fourth area of work and that involves gathering all three Leadership Teams to meet and think about those matters that affect us all. This will include how ministry is being offered and resourced across the region, how the Priest in Charge is being funded, and how we understand the way in which God is leading us across the whole area served by the three Mission Districts. That is a hope for the future but one I would love to see being put into practice not too far away.

In finishing might I say that I have never before worked simultaneously across three Mission Districts. I will make mistakes which I intend to learn from and there will be opportunities I hope we can grasp. In everything may we give God the glory as we enjoy the challenges put before us.
